1/26/2005 - Received annual report. Removed about 80 tons of old surface material. At the time it was mined, it was just piled up outside the mine. No disturbance, no reclanmation. Will continue removing the old mined piled-up material and clean up for mine operation.  
 9/27/2004 - Sent letter to David Hansen stating we have changed our records from David Hansen (PO Box 378, Eureka, UT 84628 (435) 433-1019) to Mr. Tim Carson's address and phone. Because fees for years 2001, 2002 and 2003 were sent to ODC, you may still receive notification from that office regarding past due penalties, and interest regarding this site.

9/22/2004 - Office visit from Tim Carson (partner to David Hansen). David has deserted claims and left the partnership. Mr. Carson did not know anything about the past due fees not being paid. He picked up the claims again at \$165.00 per claim since Mr. Hansen let them
